**LOCATION. LOCATION. LOCATION.**

Our crew is ready and waiting to build your set **ON LOCATION.**

We will travel the globe at a moment's notice. Our crews are prepared to work in any environment. Using either imported or local labor and materials, we can get the job done quickly, efficiently, and within budget.

**Let us bring our experience to you.**

Building onsite allows us to work with your natural and local resources to save you time and money.

The management and staff of **16 Penny** share decades of experience in all aspects of scenic arts.

We have worked on hundreds of sets in both film and television and are committed to customer service.

This commitment is based on the simple business tenets of good communications, state of the art techniques and the ability to deliver products and services on time and on budget.

**We look forward to helping you on your next project.**

Sincerely,  
John Benardello  
Michael Sanford

themed environment

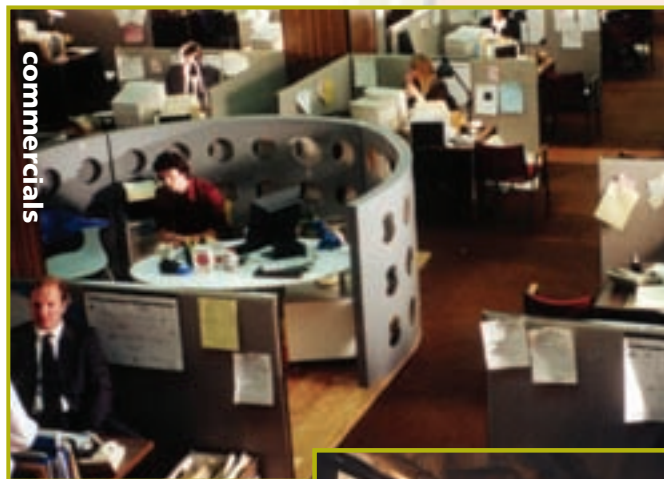

**Our mission:** to make state of the art scenery available worldwide.

A key benefit of working with **16 Penny** is our ability to manage any size project from the initial concept to the final detailing.

**16 Penny** will help you safeguard against the problems that consistently plague today's projects, namely, inconsistent project leadership, lack of accountability, and the loss of personal control, which in turn, lead to timeline delays, budget mismanagement and cost overruns.

**16 Penny offers you:**

- Full project coordination and management
- A single point of contact throughout your project
- Full responsibility and accountability, therefore guaranteeing on-time delivery within budget
